## SUMMARY

Under the California Vehicle Code, this bill would require an applicant for a California driver's license or identification card who does not have a social security number to provide a taxpayer identification number or other identifier. This bill would not affect the ability of Franchise Tax Board (FTB) to continue to access Department of Motor Vehicle (DMV) information to verify addresses of taxpayers and debtors.

This bill also would make various changes to the Vehicle Code that do not impact the department.

## SUMMARY OF AMENDMENT

The May 31, 2001, amendment would allow DMV to respond to information requests from FTB for the purpose of tax administration and non-tax debt collection.

The May 31, 2001, amendment also makes technical changes that do not impact the department.

Except for these changes, the remainder of the department's analysis of the bill as amended April 16, 2001, still applies. The Board position is restated below for convenience.
